2. About the experts

Expert's name: Felim Meade

LinkedIn profile: <https://www.linkedin.com/in/felim-meade-3264a771/>

After six years researching and selling on Chinese online platforms via Emerald Green Baby I have set up Emerald green consulting with another partner. He now offers all his practical experience and ongoing sales knowledge to other "China ready" companies within the EU. Not only has he the knowledge of how to sell but he is continuing to retail market and fulfill orders daily from three Chinese based online stores.

Felim also still owns and runs twelve food operations in Dublin employing over a hundred people and has 10-years work experience with Coca-Cola, Guinness and Ireland's largest retailer Dunnes stores. The core of his success in China is bringing his retail experience managing projects with Chinese partners.

While he lives in Dublin, Felim travels every eight weeks to China as well as extensively in Europe assisting companies to access the Chinese market.

Expert's name: Mr. Matias Zubimendi, IP Business Advisor (TBC)

LinkedIn profile: <https://cn.linkedin.com/in/matias-zubimendi-35605873>

Mr. Matias Zubimendi is the IP Business Advisor at China IPR SME Helpdesk, where he advises European SMEs on intellectual property rights matters. Mr. Zubimendi holds a Master's degree in Chinese Civil and Commercial Law from Peking University as well as a Master's degree in Intellectual Property Law from Austral University in cooperation with the World Intellectual Property Organisation. Mr. Zubimendi has a strong background in both business development and intellectual property rights protection, having previously worked as a China Business and Legal Consultant at Terragene, where he focused on business development and as a Director of Legal Affairs at Conquer Europe. Previously, he has also worked as a Patent and Trademark Attorney at

Phoebus Abogados and Mazzeo & Canet, where he represented SMEs as well as Fortune 500 companies.

Mr. Zubimendi has given lectures at various conferences including the Ibero-American Conference on Chinese Studies and published several articles including “The legal protection of intangibles in the video games industry”. As a Professor Assistant, he has also given lectures on Commercial Law and Procedural law, while focusing on Copyright and AI in his research. Mr. Zubimendi is a native Spanish speaker fluent in English.
